**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer who supports broadband competition. I need broadband for my work and other activities at home.

I choose Sonic.net because it provides freedom and security and excellent value for my money. They also provide me with excellent home phone service, and I know they are using some of my money to build new fiber internet in my community, which I plan to use.

It would be devastating to the community to end their competition with AT&T and other national providers.

Please do not grant the petition by US Telecom that will eliminate this competition that uses current infrastructure and builds more.
